Message From Vice Chancellor

Guru Gobind Singh Indraprastha University has established itself as a higher education centre par excellence in 15 years of its journey. The university focuses on imparting application oriented education and conducting applied research. The university stimulates both the hearts and minds of scholars, empower them to contribute to the welfare of society at large, train them to adopt themselves to the changing needs of the economy, advocate them for cultural leadership to ensure peace, harmony and prosperity for all.

The university strives hard to provide a market oriented professional education to the international student community with a view to serving the cause of higher education as well as to meet the needs of the global industries by promoting establishment of colleges and Schools of Studies as Centres of Excellence in emerging areas of education with focus on professional education in disciplines of engineering, management, technology, medicine, education, pharmacy, nursing, law, architecture etc.

The courses and syllabi of the university are regularly updated upto the global education and research standards. The modern teaching pedagogy being practiced at the University provides congenial atmosphere for learning. Faculty of the university is well equipped and specialized in plethora of professional disciplines. Research projects being undertaken at various Schools/Centres of the university further accentuate the learning environment at the university.

Realizing the need for providing equal opportunities for education to students from all over the world, the Office of International Affairs (OIA) of the university admits students from across the globe. Besides, the OIA has been actively involved in international collaborations with institutions from all over. Particularly, collaborations in the form of student exchange, faculty exchange, research collaborations, organizing joint events have been entered into with more than 30 renowned international institutions.

The university welcomes like-minded educational and research institutions from all over the world for academic and research collaborations and exchange programs. The international students aspiring to pursue world-class courses and programs are welcome to join the university. The university stands committed to equip the students with values and skills required to meet the industry standards as of today and tomorrow.

Prof. Anil K. Tyagi

Message from Director (International Affairs)

Guru Gobind Singh Indraprastha University aspires to provide world class education and research opportunities to its students. The Office of International Affairs (OIA) of the university promotes international exchanges with an aim to blend the educational endeavors and the academic research for industry as well as social good. Towards attaining the same, the university has evolved into an institution where students and scholars come together, study together, and stimulate each other, thus further advancing the level of research and education.

Approximately 200+ students from 32 countries are currently studying at the university and its affiliated institutes in various programmes ranging from engineering, management, technology, education, pharmacy, nursing, law, architecture etc. The university has signed Memorandum of Understanding with 29 educational institutions across the world for Faculty Exchange, Student Exchange, Research Collaboration, jointly organizing conferences / seminars / workshop etc.

International students of the university are equipped with relevant degrees and honed skills which help them fetch attractive and enhanced pay packets on the completion of their degrees / programmes. The university has state of art infrastructure. Our laboratories are well designed to suit contemporary needs of students. Many faculty members are offering consultancy to industry and government undertakings. Our faculty members are truly internationalized in terms of exposure to different foreign countries and represent India in many international forums.

We are looking forward to further association with students, faculty and intellectual fraternity across the world for aligning our system with the global education system innovatively.

With Best Wishes to All!

For nation building, Education is the most important investment in the field of Human Resource Development. We at Guru Gobind Singh Indraprastha University are proud to shoulder this responsibility. Our persistent endeavor is to bring to life the world beyond the classroom, beyond the walls of the college, beyond all physical boundaries. We emphasize interactive learning and a two-way communication process to provide an intellectual, sincere, and responsive environment for higher education. Overcoming perceived barriers, shackles of anachronistic understanding, inept processes, crumbling structures, often our own traditions, we march to engage with new frontiers.

The team at IP University work persistently to achieve the goals through advanced infrastructure and a team devoted to achieving academic excellence. The University places a lot of emphasis on nurturing value systems rooted in ideas of sustainable development and innovative spirit. Here the traditional weaves of inspiring human thought comes alive in new and innovative patterns creating mindsets for the future.
